RE: 1996 CHEVROLET, VIN: 3GCEC28K3TG132720, MX LIC: DYP2037

Dear Ms. Vargas:

We have reviewed your claim, completed your deposition, and have spoken to the agency. An outright return of the vehicle is inappropriate in this case. The State offers the following mitigation of forfeiture:

The 1996 CHEVROLET, VIN: 3GCEC28K3TG132720, MX LIC: DYP2037 would be returned to you in exchange for a cashier's check in the amount of \$2,568.75 made payable to the Pima County Anti-Racketeering Fund. In addition, you agree to pay for any and all storage fees having accrued since April 1, 2005, at \$1.00 per day.

If you decline this offer, we will proceed with a Motion to Set Trial. Please call me at 520-740-5728 if this is acceptable to you.

Sincerely,

THOMAS J. RANKIN #64518
Deputy County Attorney
